

Day Trading Quotations.

1st came Letters. Then Words, which then led to Phrases. With the passing of time, some of the greatest & most powerful combinations of these would be laid to bear before one's eyes. Finally, the everlasting & eternal "Quotation" would be born.

Great power lies dormant, buried deep within the wisdom & the experience of the wise; preserved via the quotation. Words on paper mean nothing until we attach a meaning, our own personal expression of its importance & significance.

Literal excellence from some of the World's greatest minds, successful teachers & influential thinkers from our past & present; quotations evoke powerful, inspiring, thought-provoking ideas & definitions that can help you achieve your goals.

Never be afraid to use (borrow) the timeless words of others, everlasting knowledge from some of the World's greatest minds to better express yourself.

Quotations are a form of expression that can be used in a proactive way; helping you to clearly focus & implement positive actions within the scope of all your trading endeavours.

Use them to strike a chord & form a neural association that will help preserve, emphasize & reinforce certain points & ideas on specific topics within the 'Super Trader Mind Map' & trading in general.

Not only can you improve your trading via the proactive use of quotations, but you can improve your life with the everlasting knowledge supplied **FREE**, from some of the most influential & successful people to have ever set foot on this planet! That's how powerful a quotation can be.
